

TRANSCONTINENTAL GROUP

Transcontinental Group (TCG) is a top-ranked, global leader in flexible packaging. We are committed to getting you the right bag, at the right time, and at the right price.

- We customize every product and provide the right solution based on your specs and individual needs.
- As a custom manufacturer, we keep overhead low and reduce costs without compromising quality.
- Our worldwide, dedicated logistics team ensures your products get delivered on time.
- With multiple manufacturing locations, we can partner to make certain you receive the best quality products at the best available pricing.
- Our products undergo rigorous industry-leading testing by packaging experts, from load-bearing trials to UV exposure.
- We're best in class for service-before, during and after the sale.

OIL AND GAS

The technology and processes we developed through innovations in Oil and Gas, and its byproducts, are responsible for almost everything we use in modern everyday life today. Transcontinental Group (TCG) is a leading supplier of bulk bags that are integral to the operations and efficiency within the Oil and Gas industry. We provide safe, effective and flexible packaging for the storage and transportation of chemicals, sands, steel, waste, and every other sector of the industry.
